24.04.:

from 9.00: optional visit to the Glentleiten Open Air Museum the largest of its kind in Southern Bavaria.

from 11.30: farewell

Our Jubilee Book became ready and it was published at the end of 2015. Members who will take part on the 27th Annual Meeting of DAGENE can take it personally over. Else they will receive it by post (please, send us your postal address for safety's sake again).

As it became obvious, there will not be held our General Assembly in the frame of this Meeting. Another reason for modification in our program is to reduce the participation fee (which is now restricted to Saturday only). As it was mentioned by us earlier we would like to find a way to cover the participation fee for DAGENE Members. The cost of accommodation and travelling is still to pay from own budget.

Please, check the date in your calendar in order to ensure everyone's presence on it, and send us a feedback in regards to the participation soon (by **30th of March 2016**).

Allow us to remind you to prepare your papers according to the enclosed instructions [DAGENE 2016 Proceedings Guideline.doc], and submit them by the modified deadline, **30th of March 2016**. Papers should be submitted in an electronic form to following e-mail address: annus.kata@aotk.szie.hu (and as subject is to be written “Dagene presentation 2016”). Editors thank all authors for their cooperation and call their attention papers received after the submission deadline will not be accepted!

We hope your presence and intensive common participation on this meeting will facilitate further networking. Do not hesitate to invite your colleagues as possible new DAGENE members to take part on it.

We wish you good health and time for preparation, and say thanks for your advices and co-operation also in advance.
